

Anatomage

Users Group Meeting 2021

June 14–17, 2021

About the Virtual Anatomage Users Group Meeting 2021

The Anatomage Users Group Meeting aims to enable users to explore and maximize the values of Anatomage's technologies while establishing a networking platform to promote the next generation of educational technology.

This year, the Anatomage Users Group Meeting will be conducted through online sessions from **June 14 - 17, 2021**. Centered around Anatomage's technological solutions towards the distance learning landscape, the Users Group Meeting 2021 will provide an engaging environment for the attendees to exchange expertise and learn about the latest updates of Anatomage's technologies.

Specifically, the attendees will be able to:

- Learn about incorporating Anatomage technologies into their curriculum
- Gain a virtual hands-on experience through small group sessions
- Network with other Anatomage technology users
- Get a sneak peek at the latest updates on the Anatomage Table and Anatomage eBook

Speakers & Workshop Leaders

We are bringing together experts across the Anatomage Community to present their success enabled by utilizing Anatomage technologies. You can expect to learn from peers in your industry about the most up-to-date methods for integrating Anatomage technology.

Training Sessions

Workshop leaders from the Anatomage Community will lead sessions in their area of expertise. These leaders can provide insights for integrating Anatomage technologies and further discuss their teaching methodologies. Anatomage employees will host training sessions covering an array of topics from the basics to the advanced topics of the Anatomage Table's integration and applications.

Training sessions will be conducted in both large and small group sessions. Attendees of the larger-group sessions will be placed into smaller teams for collaboration and networking. Participants will be able to register for sections they are interested in attending and have access to recordings from all sessions following the event.

All attendees will be provided with a 1-month access to Table on Cloud during and following the event to participate in training sessions of the UGM 2021. Our goal is to create an online environment that replicates our previous User's Group Meeting. By providing access to Table on Cloud, every attendee can work with the Anatomage Table's content remotely.

Networking

Anatomage will host networking events to maintain a collaborative environment and provide attendees with a chance to work with others in their field. We will have a virtual Meet & Greet as well as hosting an Anatomy Tournament for all attendees to participate in. If you're not familiar with our Anatomy Tournaments, you can check out more about the event [here](#).

Registration

Registering for this event will grant you access to all keynote sessions and workshops, as well as all recordings from the event. On top of the event, every attendee will receive a T-Shirt and Anatomage Swag sent directly to them.

All attendees registering for this event will be provided access to our online software: Table on Cloud to participate in training sessions for the Anatomage Table. The Table on Cloud access will be provided prior to the event.

Early bird registration for the Anatomage Users Group Meeting 2021 is \$85 per attendee and will open on **March 1st, 2021**.

General registration begins on **April 17th, 2021**, and the cost per attendee will increase to \$99.

Registration will close on **June 9th, 2021**, the week before the start of the conference.
