Join us for the **Anatomage Tournament** hosted by HOSA and Anatomage! The Anatomage Tournament is a team based anatomy competition for students and advisors to compete in teams of 3-5 participants. During the event, participants will receive an introduction to the Anatomage Table, get digital hands-on experience with our technology and compete to test their knowledge of anatomy. Compete through rounds of the Tournament to be named the Anatomy Champion!

We have 3 divisions for the Anatomage Tournament:

If you are interested in entering the tournament, please register through your local chapter advisor as part of the regular ILC Conference Registration. The ILC registration deadline is May 15th.
