CONTACT

tournaments@anatomage.com

Join us for a **virtual Anatomage Anatomy Tournament** open to all high school students across the United States! No Anatomage Table is needed to participate.

During the event, participants will receive an introduction to the Anatomage Virtual Dissection Table, get digital hands-on experience with our technology, and compete to test their knowledge of anatomy.

Anatomical systems included in competition: skeletal (bones, bony landmarks, and ligaments), muscular, digestive, respiratory, urinary, cardiovascular (heart and major blood vessels), nervous (brain, spinal cord, and major nerves), and more!

- **Team-based competition open to all high school students**
- **3-5 students per teams**
- **1st Place Team will receive Anatomage VR Tablets & other**
Top 3 Teams will receive other Anatomage Prizes
